

# Things to Bring to Ms. Maria's Class (1 Year)

We know it's always tricky trying to figure out what your child needs at school, so here's a list of what we need in our classroom every day.

## Play Clothes

*We tend to get a bit messy, so don't put your child in your favorite outfits*

## Tennis Shoes and Socks

*This helps the kids remember to keep their shoes on at school for safety reasons and also helps keep rocks out of their shoes on the playground.*

## 2 Changes of Clothes - seasonally appropriate

*These aren't just for wetting accidents, we sometimes have spills too. It's fine to leave these in your child's cubby.*

## Pull-Ups/Diapers

*Feel free to leave at least 10, even a whole package if you wish. We use a lot.*

## A Healthy Lunch

*This should include things like protein, dairy, veggie, fruit, and a drink...see lunch box handout for ideas.*

We provide a big-kid cup of water with our snack, and at playground time, so *water bottles are not necessary*. We find that when there are sippy cups in the cubbies, the children are tempted to drink from each other's cups.

We are so excited to have your child in our class and will make this a great experience for you and your children!
